

DAY 1	Monday 6th September 2021			
09:00	Conference Registration			
10:00	Welcome & Plenary session 1			
11:00	Coffee break, Posters, Networking			
	Themed Sessions			
11:30	Image and Signal Processing	Diagnostics, Devices & Sensors	In silico Modelling	Biomaterials and Tissue Engineering
	Parallel sessions each with invited keynotes, oral presentations and turbo talks			
13:00	Lunch, Posters, Networking			
	Themed Sessions			
14:00	Image and Signal Processing	Diagnostics, Devices & Sensors	In silico Modelling	Biomaterials and Tissue Engineering
	Parallel sessions each with invited keynotes, oral presentations and turbo talks			
15:30	Coffee break, posters networking			
16:00	Plenary session 2: Nancy Allbritton, Professor of Bioengineering, University of Washington			
17:00	Drinks Reception and Poster exhibition			
19:00	Welcome Drinks and Dinner at Cutlers' Hall with After Dinner speaker			

DAY 2	Tuesday, 7th September 2021			
09:00	Society Meetings/Workshops			
	Breakfast Workshop: EPSRC Grants & Fellowships for Early Career Researchers		General Assembly of the VPHI-UK chapter	
10:00	Plenary session 3			
11:00	Coffee break, Posters, Networking			
11:30	Themed Sessions			
	Image and Signal Processing	Diagnostics, Devices & Sensors	In silico Modelling	Biomaterials and Tissue Engineering
	Parallel sessions each with invited keynotes, oral presentations and turbo talks			
	Lunch, Posters, Networking			
14:00	Themed Sessions			
	Insigneo AI Workshop	Biomaterials and Tissue Engineering	In silico Modelling	Biomaterials and Tissue Engineering
	Parallel sessions each with invited keynotes, oral presentations and turbo talks			
15:30	Coffee break, Posters, Networking			
16:00	Plenary Session 4			
17:00	Close			
	Networking & drinks reception			
	End
